The board meets on the first Tuesday of every month in the MPCA Clubhouse. All monthly meetings are open to homeowners. We invite you to attend.

Committee Meetings are the 3rd Tuesday of each month at 7pm. Meetings are held at the community clubhouse, and cover activities like recreation, security, architectural control, grounds, and facility maintenance. Join a committee and help us continue to make our community beautiful.

UPCOMING EVENTS:

November 19th Committee Meeting

December 3rd Board Meeting

December 7th Santa Parade

December 14th Holiday Light Contest

VOLUNTEERS NEEDED!

We are looking for community groups, classic cars, golf carts, and bikers who would like to participate in the Santa Parade, Saturday, December 7th at Noon. If you would like to volunteer for either or both of these events, please reach out to the MPCA office at office@mphoa.org. We would love to have your help!

The MP Office will be closed for the Thanksgiving Holiday

FALL LEAF DISPOSAL: Clear fallen fruit and debris from sidewalks. - Keep leaves out of storm sewers and waterways. - Clean out leaves along curbs, gutters, and storm drains so they won't clog storm sewers. - Start a compost pile or add leaves to an existing one. - Use a mulching mower to chop leaves into small pieces, which will decompose directly on lawns. - Do not rake leaves onto the street.

Fall is also a good time to change the batteries in smoke detectors and carbon monoxide detectors, to keep them functioning correctly. Check that your light bulbs are in good working condition. There is less natural lighting available during the winter months, so making sure all your bulbs are operating at an optimal level is important to the safety of your family and your home.

Don't forget to check your vehicles tires, brakes, and alignment. This is crucial to keeping your family safe on wet, slippery roads during the winter months ahead.

Another important thing to remember with the time change is that children may be getting on or getting off of the bus in the dark. Watch for children walking to and from bus stops. Also, remind children which side of the road they should walk on to be seen by oncoming traffic. If feasible, have your child carry some sort of light they can use to be seen by oncoming vehicles.
